*Prices are subject to change without notice

Wellness clinic services are provided for healthy animals only. We are not able to provide care for sick or injured animals, and we do not euthanize (put to sleep) sick or injured animals. It is very important for animal guardians to establish a relationship with a private veterinarian who provides services for animals when they become sick or injured. By patronizing the SNAP Spay-Neuter and Animal Wellness clinic you enable SNAP to subsidize spaying and neutering for other animals.

Carl Halliday, DVM
Leonard King, DVM

Carole Price, DVM
Denise Stewart, DVM

*"No-Birth Is The
First Step To No-Kill"*
