Reduced cost spay and neuter surgery and animal wellness services are available at the San Antonio Spay-Neuter/Wellness Clinic. Wellness services include vaccinations, flea and tick preventative, heartworm testing and preventative, and microchipping and are provided for healthy animals only. We are not able to provide care for sick or injured animals, and we do not euthanize (put to sleep) sick or injured animals. It is very important for animal guardians to establish a relationship with a private veterinarian who provides services for animals when they become sick or injured. By patronizing the SNAP Spay-Neuter and Animal Wellness clinic you enable SNAP to subsidize spaying and neutering for other animals.

Clinic Public Hours:

Tuesday - Saturday....10:00 AM to 6:00 PM

Surgery Appointments:

Tuesday - Saturday....7:30 AM to 8:30AM
